Power Cord	8 m / 26'
Vacuum Hose	8'
Weight	341.1 kg / 75 lbs.
Full Dimensions	H 42" x L 32" x W 32"

DETAILS

- Bullfrog 802Y wet and dry vacuum offers more efficient water pick up with its large rear-mounted and self-adjusting squeegee assembly with lift lever.
- Its unique 80L / 21.2 gallon capacity tank is designed to empty without the need for tipping, and offers easy mobility for medium to large jobs in a variety of locations.
- The 802Y also includes a tip and pour feature for easy emptying in areas where a floor drain is not available so you can worry about tackling the job at hand.
- The 802Y Wet/Dry vacuum comes complete with a full compliment of tools and features a crush proof hose, large front transport wheels and durable metal construction throughout.
- The 80L 802Y is the ideal companion for large wet pickup jobs such as floor stripping, flood remediation, industrial application, concrete grinding and cutting, etc.

FEATURES

- 8 m / 26' power cord
- Rear drain for easy emptying
- Dual Powerful 1000 W motor (total of 2000 W)
- A mighty 224 CFM / 106 L/s air flow rate providing 250 mbar / 25 kPa of vacuum
- Tip and pour system for emptying into toilets or higher drains when a floor drain or mop sink are not available for emptying the tank
- Commercial quality tool kit with 8' vacuum hose, steel wand, carpet tool, squeegee tool, crevice tool, upholstery tool & dust brush
- Rear mount squeegee system makes picking up floor stripper or slurry quick and easy
- Dimensions without squeegee:
H 42" x L 28" x W 32"

INCLUDES / DESIGN FEATURES
