## Heavy Duty Powder Detergent

**CUTS THROUGH GREASE & GRIME QUICKLY**

**Conditions and Softens Wash Water**

**Crete Clean** is a fortified heavy duty detergent, tested for superior performance. Excellent soil removal in many different applications.

**Crete Clean** contains a blend of synthetic detergents to produce the best performance.

**Crete Clean** is an excellent floor cleaner for industrial applications.

**Crete Clean** provides superior cleaning results on oil and grease while using less detergent.

### STORAGE & DISPOSAL

**Storage:** Store in a well-ventilated place. Keep cool. Keep container tightly closed. Store locked up.

**Disposal:** Dispose of contents/container in accordance with licensed collector's sorting instructions.

### AVAILABLE SIZES

20KG

160KG

### DIRECTIONS

#### **Floor Cleaning:**

Hose down area to be cleaned. Lightly sprinkle the whole area with **Crete Clean** and allow it to work for at least 10 minutes. Agitate with a stiff broom or brush, giving special attention to heavy soil spots. Rinse down and squeegee residue into drain (subject to contaminants being removed).

**NOTE:** If white residue appears after drying it indicates excessive chemical usage or improper rinsing. Best results will occur with more frequent light applications.
