STORAGE & DISPOSAL

Storage: Store at room temperature.

Disposal: Rinse the emptied container thoroughly prior to disposal. Make the empty container unsuitable for further use. Non-refillable container/do not reuse or refill this container. Dispose of the empty container in accordance with municipal/provincial/territorial requirements. Offer for recycling, if available. For information on disposal of unused, unwanted product, contact the manufacturer or the appropriate municipal/provincial/territorial agency or product stewardship organization.

DIRECTIONS

For food plant and other industrial use only.

Apply diluted cleaning solution to surface, for best results, allow to remain wet for 5 minutes before scrubbing thoroughly and rinsing with potable water.

Food Processing Areas:

Before Cleaning - Food products and packaging materials must be removed from the room or carefully protected.

After Cleaning - All food contact surfaces must be thoroughly rinsed with potable water.

Sanitize Surfaces:

After cleaning, use *DS 106 Neutral Disinfectant* as directed on its product label.
