

DILUTION SYSTEM

Make Cleaning Easy & Effortless

Enhance your employee safety and OH&S compliance. Colour coordinated to match the solutions for an easy to use system for any operator.

Dilution System & Products

Dilution Machine

Eliminate confusion with clearly marked, number and coloured codes with a controlled dilution that reduces waste. This Dilution System allows you to dilute up to 4 different cleaning products into both mop pails/floor scrubber and spray bottles with a touch of button.

Best of all the Dilution Machine is **FREE** with the purchase of your initial 4 cases of any **DS** product cleaners, at no cost!

DS (Dilution System)

The **DS** products come in a concentrated 2 Liter bottle. Place the bottle into the dilution machine for easy automatic dilution. Just refill your mop bucket or spray bottles whenever you may need.

A case is 4 x 2L bottles.

QB (Squeeze Bottle)

The **QB** products come in a 1 Liter squeeze bottle. These are designed to help you measure out the amount of concentrated solution needed for dilution without making a mess!

A case is 10 x 1L bottles.

DS / QB (Ready to Use)

The **DS/QB** products are empty, pre-labeled, 1 Liter spray bottles. Designed to be filled at the dilution system for an easy fill with no mess, ready to use spray.

A case is 12 x 1L empty bottles (triggers are included for each bottle).

101 - 107 CHEMICAL SOLUTIONS

101 - All Purpose Cleaner/ Degreaser

- Fast-acting citrus cleaner
- Fights the toughest grease & build-up
- For use on counter tops, sinks, floors, walls, tubs & showers
- Use concentrated strength for tar, grease, heavy soil, oil build-up, penetrating stains, fire damage recovery & more
- Safe for use on most metals

102 - Window Cleaner Concentrate

- Dissolves & releases cohesive films on contact
- Good on grease, smoke & atmospheric
- Use for windshields (in & out), windows, mirrors, glass doors, showcases, florescent lamps & fixtures
- Non-Fogging, Non-Streaking & Anti-Static properties
- Safe for squeegees, quality printed or varnished surfaces

103 - Heavy Duty Industrial Cleaner/Degreaser

- Biodegradable heavy duty industrial cleaner/degreaser
- Attacks & dissolves oil, wax, carbon deposit, grease, soils & polymer build-ups
- Use for steam cleaning, mop & wash and spray wipe
- Safe on most surfaces & most metals
- For Transportation Services, Institutions, Fire Restoration Services, Gas Plants, Oil Refineries & Service Companies, Mines, Mechanic Shops, Etc

104 - Heavy Duty Phosphoric Acid Detergent

- Fast-acting & Non-Foaming
- Descales & removes calcium, rust, & manganite deposits from ceramic, terrazzo, quarry tile flooring, & stainless kitchen equipment
- Removes body films & calcium/lime deposits in shower & bath areas
- Clean & brightens most metals, Nickel safe
- Removes dirt & soap films in car wash facilities

105 - Light Duty Acid Detergent

- A mild acid action liquid cleaner, brightener & descaler
- Made with Phosphoric Acid
- Use in kitchen and bath
- Easy to clean & brightens chrome surfaces, porcelain & tile
- Breaks the adhesive bond that is coating the surface, then dissolves & lifts off the rust, lime, atmospheric films, etc.

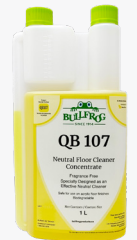

106 - Cleaner, Disinfectant, Deodorizer & Detergent

- Phosphate-free formulation provides effective cleaning, deodorizing & disinfection
- Mildewstat on hard non-porous inanimate surfaces & Fungus control
- Deodorizes areas which are prone to odors caused by micro-organisms
- Use in hospitals, nursing homes, hotels, schools, restaurants, food processing establishments, athletic facilities, stadiums, amphitheatres & other institutions
- Formulated to a neutral pH & will not dull high-gloss floor finish

107 - Neutral Floor Cleaner Concentrate

- An effective neutral cleaner for general cleaning, mopping & automatic scrubbing
- Contains no harsh alkali's or acids to leave a film after using
- Safe to use on acrylic floor finishes & will not cause corrosion of soft metals
- Non-butyl, non-corrosive, non-toxic all with a neutral pH
- Safe to use on all surfaces not harmed by water
