DESCRIPTION

Emerald Dishwash is a premium, high foaming, long lasting, lemon scented liquid dish detergent for the manual cleaning of dishes, pots and pans. This product contains special mild synthetic detergents designed to provide rich stable suds while being very gentle on hands.

It is a non-phosphated, biodegradable detergent with excellent emulsifying characteristics that provide clean, film free dishes with ease and economy.

DIRECTIONS

The dilution rate will vary with the cleaning application, amount of soil, and water conditions. Use a dilution 15mL to 10L of water. Adjust the ratio to suit individual applications. **Emerald Dishwash** may be used with automatic dispensers. Use a dilution of 1:128 to 1:190 with automatic dispensers.
