

LC900 3 Speed Air Mover

FROG-LC900

DETAILS

- The BullFrog LC900 is a powerful air mover that is up to twice as strong as the industry standard, providing more air movement for a lower cost than most competitors.
- The BullFrog LC900 is made out of robust, impact-resistant plastic for long term use and durability.
- The LC900 has an ergonomic collapsing handle (similar to a suitcase) and large transport wheels that make moving the air mover from place to place quick and easy.
- With three speed settings and a tilt bar underneath the front you always have the amount of air flow you need, where you need it.

TECHNICAL DATA

Model	Frog-LC900
3 Speed Settings	High, Medium & Low
Air Flow Rate (m3 / min)	Hi - 160, Med - 130, Low - 110
Air Flow Rate (CFM)	Hi - 5650, Med - 4590, Low - 3880
Rated Input Power	900 W
Power Cord	7 M / 23'
Weight	19.5 kg / 43 lbs.

FEATURES

- Durable plastic base
- Foldable handle and wheel kit for easy transportation
- High CFM ratings to dry areas more quickly than competitive units
