

Lemon Liquid Pot & Pan

Dish Detergent

DILUTION SYSTEM FRIENDLY FORMULATION

Non-Phosphated & Biodegradable

Lemon Liquid Pot & Pan is a foamy, thick lemon scented liquid detergent for manual cleaning of dishes, pots, and pans.

Lemon Liquid Pot & Pan contains special mild synthetic detergents designed to provide rich stable suds while being very gentle on hands.

Lemon Liquid Pot & Pan is a non-phosphated, biodegradable detergent with excellent emulsifying characteristics that provide clean, film free dishes with ease and economy.

Lemon Liquid Pot & Pan is designed for use in automatic dispensers so its made thinner so that is does not clog automatic dilution equipment.

STORAGE & DISPOSAL

Storage: Store in a well-ventilated place. Keep cool.

Disposal: Dispose of contents/container in accordance with licensed collector's sorting instructions.

DILUTIONS/DIRECTIONS

The dilution rate will vary with the cleaning application, amount of soil, and water conditions.

Use a dilution 25ml - 50ml to 10L of water. Adjust the ratio to suit individual applications.

Lemon Liquid Pot & Pan is designed to be used with automatic dispensers. Use a dilution of 1:128 to 1:190 with automatic dispensers.
