DESCRIPTION

Lemon Liquid Pot & Pan is a foamy, lemon scented liquid detergent for manual cleaning of dishes, pots, and pans. This product contains special mild synthetic detergents designed to provide rich stable suds while being very gentle on hands.

It is a non-phosphated, biodegradable detergent with excellent emulsifying characteristics that provide clean, film free dishes with ease and economy.

Designed for use in automatic dispensers so its made thinner so that it does not clog automatic dilution equipment.

DIRECTIONS

The dilution rate will vary with the cleaning application, amount of soil, and water conditions. Use a dilution 25mL - 50mL to 10L of water. Adjust the ratio to suit individual applications. **Lemon Liquid Pot & Pan** is designed to be used with automatic dispensers. Use a dilution of 1:128 to 1:190 with automatic dispensers.
