10S & 15S Dry Canister Vacuums

FROG-10S

- Lightweight and easy to move, the BullFrog 10S provides excellent portability for cleaners that need to move it from location to location.
- The 10S includes tool holders built into base that keep all your accessory tools organized.

- Both the BullFrog 10S & 15S are durable commercial quality vacuums that offers powerful suction and airflow ratings. The 10S & 15S can handle any dry vacuum job that you throw at it.
- The BullFrog 10S & 15S are the ideal vacuums for building service contractors, offices, catering establishments, residences and retail. Thanks to the low operating noise, the vacuum cleaners can also be used in hospitals, long term care homes and hotels at any time of the day.
- Cord management is easy thanks to the integrated cord hanger to help keep your cord organized and tidy.
- The BullFrog 10S & 15S vacuums come with a complete tool kit including: hose, wand, crevice tool, dust brush, upholstery tool and commercial quality floor/rug tool.

FROG-15S

- With two large rear wheels and two nimble front casters the BullFrog 15S provides maximum maneuverability for efficient cleaning in tight areas.
